## SEPTEMBER 2016 NEWSLETTER

## DINNER MEETING – Join in! Get to know us! WEDNESDAY, SEPTEMBER 21, from 6:00 pm

This month's meeting showcases our interest groups — an important part of our club. It's also time to reconnect with members you haven't seen for a while. Better yet, bring along a friend you might like to introduce to members. Then feel free to sign up for one or more groups, and indicate if you could assist the convenor on occasion. During the dinner, various convenors will describe their groups' activities. Sign-up sheets for each group will be available. Join as many as your schedule can handle. See you there!

# NEXT MONTH – OCTOBER 19 Dr. Jonathan L. Meakins: Modern Hospitals and the Healing Environment

Dr. Meakins — who has served as surgeon-in-chief at the Royal Victoria Hospital, chair of the McGill Department of Surgery, and

from 2002–2008 as Nuffield Professor of Surgery, Oxford University — is currently the Director of the MUHC Heritage Centre. His talk will address the principles surrounding the creation of a healing environment, with a focus on the Royal Victoria Hospital.

## PRESIDENT'S MESSAGE

Dear members,

The time has come to begin another season of the UWCM, where our activities and friendships will resurface after a few weeks' break. I trust that you all enjoyed the summer and do hope that you are as excited as I am about the coming year. Once again, we have a strong lineup of speakers for our monthly dinner meetings thanks to Elaine Bander's hard work. We also have various interest groups rolling and many of you have manifested interest in having stand-alone events. I encourage you to bring your ideas or organize social or advocacy activities. Don't forget that our Coach House is open for everyone to use! Valerie Markham remains available to give you access and guide you through organization efforts.

Over the summer, although most activities were halted, progress was not. Some board members remained active. I wish to extend a huge thank-you to Nicki Ayoub for fine-tuning the club's financial account structure, to Susan Ross for being on top of our publicity and being instrumental in now allowing website viewers to fill out an application form online, and to Anelia Wright for continuing to welcome new

members. Please join me as well in welcoming them to the UWCM family!

Some exciting news is that we have a returning member, Earlyn Sharpe, who has accepted the role of Social Media chair! As you know, this position has been vacant for some time and is so essential to our growth and exposure. Earlyn has experience with online media and I am confident that she will greatly benefit the Club.

Finally, due to the intricacy of the current debate between CFUW and GWI and as a result of my attendance at the national AGM, I will present a detailed update in a separate report. Please keep an eye out for any communications relating to the national and international entities, as we will surely be embarking on another year of debate. I recommend that everyone be as up-to-date and knowledgeable as possible so that we will continue to represent our club and its values in a most informed and rational manner.

With thanks and regards,
Maya Bergeron-Métívíer
President

## 2015–2016 Foundation Financial Report

Each year the UWCM Foundation renews its challenging commitment to raise funds to support higher education, and women in need in our community. Thankfully, our members, friends and supporters continue to value this mission. Our main fundraising event, held June 3, proved to be both a financial and a uniquely entertaining success. We were truly captivated by the National Circus School of Canada graduates: tumblers, jugglers and clowns delighted us. Gravity-defying aerial performers mesmerized us. We all left TOHU in awe!

The 2015–2016 Foundation Fundraising Committee raised a total of \$12,000 and the Foundation Trustees distributed funds as follows:

\$5,000 Concordia University \$1,000 Atwater Library \$1,000 Auberge Shalom \$1,000 Elizabeth House

\$1,000 Betsy Barber Fund \$1,000 Auberge Madeleine \$1,000 Chez Doris \$1,000 Native Women's Centre of Montreal

I wish to thank both the Fundraising Committee members and the Foundation Trustees for their enthusiasm and splendid work. And a heartfelt thank-you goes to all who contributed!

My best wishes to Liz Annesley and Donna Jensen, who will co-lead the 2016–2017 Foundation.

Sincerely,

Domínique Racanelli
2015–2016 Foundation President

## **INTEREST GROUPS**

#### Welcome back!

As usual, the September dinner meeting will feature our interest groups – a vital aspect of the club. Sign-up sheets for each group will be available for you to enrol. Go for one or more!

You might also like to start a new interest group or organize a one-time activity. Do you play bridge? Read and enjoy sharing books? Want to know more about community affairs? Have some advice on getting back in shape? Do you have an interest or hobby that would appeal to other members? We would love to add new interest groups, and take advantage of our underutilized Coach House.

Being a convenor offers a way to meet and interact in a more intimate setting with others who have a common interest. You need only contact me to discuss a desired time and meeting place for the activity, then organize to meet, on average, once a month. Please call or email me today to get things started!

CONVENOR NEEDED!

Someone needs to step into the shoes of long-time member Gloria Ménard, who is no longer available to organize this interest group. Each month for 13 years, Gloria found different interesting Montreal-area restaurants to patronize. It could help you get out, meet new people, and enjoy stimulating conversations. Why not be our convenor? Contact Valerie Markham today!

CFUW Certificate of Recognition awarded to the UWCM for recently having one of the top three resolutions passed. Accepting the award from Terry Shaw (left), CFUW VP of Advocacy, is Brenda Shanahan (centre) and Dominique Racanelli (right).

### **CFUW AGM 2016**

This year's national annual general meeting took place from June 23 to 25 in St. Catharines, ON. Our club was represented by Maya Bergeron-Métivier, Saôde Savary, Brenda Shanahan and Dominique Racanelli. At the meeting, the proposed amendment (discussed at our AGM in May) to withdraw from Graduate Women International (GWI), formerly known as International Federation of University Women (IFUW), as a National Federation or Association (NFA) member was defeated.

A detailed report will be coming from Maya and Saôde, but essentially all attendees engaged in thoughtful and vigorous debate over the amendment put forward initially by CFUW St. Thomas. The amendment failed, with 55 percent voting to withdraw (a two-thirds majority was required to pass).

However, a motion regarding directives for CFUW delegates to the August GWI Triennial in Cape Town, South Africa, was presented and passed by an 81-percent vote of support. The motion was as follows:

- 1. The voting delegation will support the candidates nominated by CFUW.
- 2. The voting delegates will support CFUW positions.
- 3. The delegation will reject the resolution, as written, for the fee increase.
- 4. The CFUW President and VP International Relations will be given authority to caucus with delegates.
- 5. The CFUW Delegation, operating with the caucus direction, will be given discretionary leeway to vote collectively in the best interests of CFUW.

## Summer Garden Tea Party

I climbed the stairs
In frock and hat
To sit on a terrace
For a friendly chit-chat.

From elegant china
I sipped my tea
Poured from a silver pot
With a long history.

Midst flowers galore A breeze on my face I felt I was in A heavenly place.

Thank you, Pam, for hosting UWCM members.

### **MEMBERSHIP**

Say "Hello" to someone you don't know! At this month's dinner meeting, after catching up with fellow members and friends, please also give a warm welcome to a new or unfamiliar face.

**Be a friend, bring a friend!** You might know someone who would like to join our club, and the September meeting is an ideal time to introduce her to our program, our activities and our members.

Ask past members to come back! Contact past members to suggest that they might like to rejoin. You can be our best recruitment tool!

Membership Directory has been sent out. All members were emailed an updated Membership Directory last June (hard copies were mailed to those few members who do not own a computer). Important: Please take note of changes mentioned in newsletters throughout the year, as another updated directory will not be sent out until next June.

Let's do this right!

### Missing, Murdered Aboriginal Women and Girls

The federal government recently announced the details of its two-year inquiry, to commence on September 1st at a cost of more than \$50-million. It will examine the root causes why 1,181 indigenous women and girls ended up missing or murdered in Canada and will study how to end this violence. Five commissioners will head the inquiry, with Marion Buller (British Columbia's first female First Nations judge) being chief commissioner. It is hoped this will bring justice, healing and closure.
